I currently accept Cigna EAP/behavioral health and am in the process of getting on all other insurance plans. Right now, for all other insurances, I am happy to provide a receipt including codes needed for re-imbursement if you choose to use your insurance (Please keep in mind that I must give you a mental illness diagnosis for most insurances to reimburse you). This code becomes part of your permanent medical file and can impact future insurability as well as job/career prospects. Many clients choose to keep their records private instead and pay with credit cards or a payment plan. Please let me know if you need receipts and when. Please check your deductible and co-pay and if there is a need for an authorization number or you may be charged the full session rate ($150/hour).

AUTHORIZATION AND RELEASE: I authorize the therapist to release all information necessary to communicate with personal physicians and other healthcare providers and payors and to secure the payment of benefits. I understand that I am responsible for all costs of therapy and counseling care, regardless of insurance coverage and that I can receive receipts to fax to my insurance for reimbursement. I also understand that if I suspend or terminate my schedule of care as determined by my treating therapist, any fees for professional services will be immediately due and payable.

The patient/client understands and agrees to allow this healthcare office to use his/her Patient Health Information for the purposes of treatment, payment, healthcare operations, and coordination of care. We want you to know how your Patient Health Information is going to be used in this office and your rights concerning those records. If you would like to have a more detailed account of our policies and procedures concerning the privacy of your Patient Health Information we encourage you to read the HIPAA NOTICE that is available to you on our website before signing this consent. If there is anyone you do not want to receive your medical records, please inform our office.
